

REMARKS

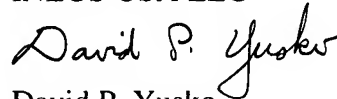

Claims 1-21 are rejected under 35 USC 112, 2nd paragraph as being indefinite. Specifically, the Examiner objects to the use of "about" when combined with a zero value since this might suggest the value could be negative (which is not possible or logical).

In order to overcome this object, Applicants have amended the Specification and Claims 1, 11 and 13 to amend "about 0" to simply "0". Additionally, claim 18 has been amended to reference the "process of claim 13" from which claim 18 depends.

Applicants believe the above amendments place the application in condition for allowance. Applicants respectfully request the Examiner to withdraw the outstanding rejection and forward the application to issuance.

Respectfully submitted,
